Work package (WP) 2 – Needs and resource mapping

## Multiplier Event 1

# Spoken easy language: Harmonising voices from complementary worlds

**When:** 13 April 2023, h. 8.45 – 17.00

**Where: Aula Magna** (ground floor), University of Trieste,  
Department of Legal, Language, Interpreting and Translation  
Studies, Via Filzi 14, 34132 Trieste, Italy

**Accessible entrance:** Via Geppa 23/B, right side of the building

**Online registration form:** [here](#)

The event will be also held online

**Zoom link:** [click to connect](#)

## Accessibility information

- Participation in the event is **free**.
- **Registration** is required.
- The event will be **interpreted** into English and Italian.
- The event will be held in **Plain Language**.
- Posters will be in **Plain** or in **Easy** Language.
- The venue of the event has accessible facilities (ramps, entrances and exits, lifts, toilets).
- We will offer a **graphic recording** of the event.

Graphic recording, also known as Live Scribing, is a visual approach that aims to enhance a meeting, talk, or conference. Graphic recording visually summarizes all relevant information. As people talk, contents are captured on a large whiteboard as texts and pictures. This helps the audience to focus and engage. The service is provided by Scribing.it
