**Parte B: TRADUZIONE in italiano di un breve testo in lingua inglese**

In a year of tragedies, Europe's shores are seeing some of the most horrifying scenes: bodies washing up on beaches as desperate families make hazardous journeys in search of a safe home. Almost 4,900 people have crossed the Channel in small boats since lockdown began, more than double the amount thought to have crossed in the whole of 2019. (Fonte: *CNN International 2020*)
